World Wide Watch List 2026

The Top 50 Countries

Where following Jesus costs the most

6th Sept: Cameroon: Heavenly Father, Be with those who are displaced, comfort those who have endured violence and lost loved ones, restore those who have lost so much. Be the shield and strong rock (Psalm 18:2) for Christians in Cameroon.

13th Sept : Oman: Heavenly Father, we give You thanks that the Omani Sultan has allowed so many followers of Jesus to freely live out their faith. We pray for a similar openness to be extended to those Omani people who want to leave Islam to follow You. We ask that You would be at work in Oman, blessing the monarchy and bringing more openness to every believer in the country. In Jesus' name, Amen.

20th Sept: Mozambique: Lord, the burden on Christians is more than any person can bear. And yet we know that Jesus has already carried and conquered the most unimaginable burden of all. We ask that Jesus' presence would be with those who suffer in Mozambique, and that You would redeem the suffering of Your people there. God, we ask for protection, for resilience and for hope. We ask this in Jesus' mighty name, Amen.

27th Sept: Kyrgyzstan: Heavenly Father, encourage our family in Kyrgyzstan. Give leaders an abundance of wisdom, strength and boldness as they navigate tighter controls, and help converts to persevere under huge pressures. Holy Spirit, have Your way in Kyrgyzstan. Amen.
